FOREWORD

The Uasin Gishu County Annual Budget Estimates for the Financial Year 2024/2025 has been prepared pursuant to section 129(1) of Public Finance Management Act, 2012 and within the framework of the County Fiscal Strategy Paper, 2024. The budget is also aligned to national objectives as captured in the Budget Policy Statement and took into consideration the views of the public as required by the Constitution of Kenya (CoK).

The estimate is the second to be prepared under the administration of H.E. Hon Dr. Jonathan Bii Chelilim, and it is consistent with Nguzo Kumi's transformation agenda. The current administration took office at a time when the country was facing economic challenges such as rising commodity prices caused by the Russia-Ukraine conflict, frequent adverse weather events, and a growing debt burden. Nonetheless, the county administration took decisive action to mitigate the effects and relieve residents' suffering.

The Nguzo Kumi was established with the intention of overcoming these challenges. For fiscal year 2024/25, we will prioritize improving household access to safe drinking water, improving healthcare quality for all citizens, increasing agricultural productivity, improving road infrastructure, increasing electricity access, and providing quality education. The county will also create a conducive environment for businesses and improve public service delivery. Implementing these initiatives will meet the county government's responsibilities to the residents and contribute to the county's economy.

We intend to improve revenue collection by leveraging technology, prudently managing county resources, and adhering to fiscal responsibility principles, among other strategies. This will be aided by a strong county economy as a result of various government initiatives at both the national and local levels. Furthermore, we will optimize spending by eliminating non-essential expenses and improving the efficiency with which development projects are carried out. The M&E will also play an important role in monitoring the implementation of county policies, programmes, and projects.

All proposed departmental budgets for FY 2024/25 have been thoroughly reviewed to ensure that they are consistent with the Nguzo Kumi as defined in the CIDP III, as well as other county strategic objectives.

I therefore wish to register my appreciation and gratitude to the entire County leadership led by H.E the Governor for guidance and support during this process and the officials of the

County Treasury for their time and effort. I am also grateful to the leadership of the County Assembly and Honourable Members for support throughout this process.

2.0 FINANCE

A. Vision

A leading department in public finance management

B. Mission

To promote sustainable social economic development through implementation of economic and financial policies

C. Performance Overview and Background for Programme(s) Financing

The department is mandated with the management and control of expenditure, procurement, accountable documents, own resource revenue, county assets, audit and financial reporting.

The department allocation in the FYs 2020/2021, 2021/2022 and 2022/23 was KSh. 459,709,768 KSh.469, 899,364 and 368,331,698 respectively. The actual expenditure during the period was KSh.382, 300,729, Ksh.361, 072,268 and KSh. 360,333,052 translating to an absorption rate of 83, 77 and 98 percent.

During the review period, the department's significant achievements include: Payment of over 90 percent of pending bills; Payment of all contractors on time; Acquisition and implementation a new revenue management system; establishment of a one-stop-shop (County Service Centre) and undertook business mapping of all businesses within the county.

The key challenges over the period include: inadequate office space; No mobility vehicle for revenue officers and lack of revenue legislations which affected revenue collection.

In 2024/25 – 2026/27, the department will develop resource mobilization strategy to improve revenue collection in the county, identify and implement 3 new revenue streams and establish 2 additional one-stop-shops in two sub counties.

5.0 ROADS, TRANSPORT AND PUBLIC WORKS

A. Vision

A safe, efficient and attractive road and transport infrastructure for socio-economic prosperity

B. Mission

To provide efficient, affordable and reliable infrastructure for sustainable economic growth and development through construction, modernization, rehabilitation and effective management of all infrastructure facilities.

C. Performance Overview and Background for Programme(s) Funding

The Department of Roads, Transport, Energy & Public Works Department is vested with the responsibility of providing a holistic and integrated transport system within the county, and developing and maintaining cost effective government building and management of fire and emergencies.

The department was allocated KSh. 1,542,409,599, KSh.1,662,714,760 and KSh 1,154,207,405 during the periods 2020/21,2020/2021 and 2022/23, with absorption rates of 68 percent ,75 percent and 70 percent respectively.

During the periods 2020/2021-2022/2023 the department achieved the following milestones: 450 KM and162.5 KM of roads graded and graveled, 375M of culverts installed, built 5 box culverts/bridges and erected 14 boda-boda shades.

The department faced the following challenges; Inadequate or overcrowding and unmanageable infrastructure in Eldoret CBD and peri-urban Areas; Lack of Capacity by the fuel suppliers leading to delayed rollout of programs due to inconsistent fuel supply; and Postponement in repairing of equipment by service providers.

In the periods 2024/25 - 2026/27 the department will prioritize, setting up an Asphalt Construction Plant to aid in road construction, improving drainage systems, constructing bridges/box culverts and culverts.

6.0 CLINICAL SERVICES

A. Vision

Excellence in health care for all residents of Uasin Gishu County and beyond

B. Mission

To promote health and prevent disease and injury through the provision of highest attainable quality, acceptable, accessible, affordable and equitable health care services that is innovative, responsive and sustainable to the people of Uasin Gishu County and beyond

C. Performance Overview and Background for Programme(s) Funding

The department mandate is to provide quality healthcare to the residents through quality, efficient and effective healthcare services that are affordable and accessible.

During the periods 2020/21 to 2022/23, the larger department of health was allocated KSh 3,037,115,535 and KSh 2,798,020,115 in FY 2020/21 and FY 2021/22, and KSh 2,594,622,055 for clinical services in FY 2022/23 with actual expenditures standing at KSh 2,444,412,553; 2,550,579,711 and 2,408,144,143 respectively. This translated to an absorption rate of 80, 91 and 93 percent respectively.

In the same period, the department's major achievements included: Ongoing construction of Kesses sub county hospital to 64 percent, ongoing construction of Ziwa level V hospital to 40 percent, constructing/renovating 120 health facilities across the county, renovating and equipping maternity units, fully renovating UGCH, completed 5 oxygen plants, providing mama delivery kits to over 44 health facilities and ensuring all facilities are accredited by Linda Mama to cover health services.

Challenges faced during the period included inadequate utility vehicles to support projects supervision, conflicting priorities and interest among project beneficiaries and local leadership, delay in release of development funds to the facilities, lack of continuous data quality assessment, review and cleaning.

The key Sector programme priorities for the FY2024/2025 – FY2026/27 include: completing Kesses, Ziwa, Moiben, Turbo, Kapteldon and Burnt Forest (ICU/HDU) Sub County Hospitals; setting up a diagnostic and pathological center at UG Hospital with a medical teleconferencing facility; focusing on investments to achieve Universal Health Coverage by ensuring National Health Insurance fund coverage for all residents; enhancing the primary healthcare system by deploying Community Health Promoters; strengthening the healthcare workforce; and ensure adequate supply of health products to all facilities.

D. Programme Objectives

Programme	Objectives
P1: Curative Health Services	To improve access to curative and rehabilitative health services
P2: General Administration, Planning and Support Services	To strengthen governance and leadership in the health sector

7.0 AGRICULTURE AND AGRIBUSINESS

A: Vision

A prosperous County anchored on an innovative, commercially oriented and competitive agricultural sector

B: Mission

To improve food security and livelihoods in Uasin Gishu through commercial agriculture for sustainable development

C: Performance Overview and Background for Programme(s) Funding

The broad mandate of the department is to promote and facilitate production of food and agricultural raw materials for food security and incomes; advance agro-based industries and agricultural exports; and enhance sustainable use of land resources as a basis for agricultural enterprises.

During the period under review, the department was allocated KSh 781,900,010, KSh 816,556,892 and KSh 507,592,847 in financial years 2020/21, 2021/22 and 2022/23 respectively. Actual expenditures stood at KSh 675,475,809, KSh 517,385,297 and KSh 493,934,906 translating into an absorption rates of 86, 63 and 97 percent.

During the 2020/21 - 2022/23 MTEF period, the department achieved the following: constructed 1 cereal store; supplied to farmers No. 27333, 9600 and 83,333 avocado, macadamia and coffee seedlings respectively; distributed 300 bags of Irish potato seeds; purchased 72,150 pyrethrum slits and No. 20 motorized coffee pulpers; analyzed No. 3525 soil samples; conducted 4 trade shows and exhibition and conducted 2 farmers exchange tours. Additionally, 37 youth groups in agribusiness were supported; workshop at AMS constructed and equipped, functional machinery shade established and a perimeter fencing constructed. Further, 1450 liters of pesticides were distributed to farmers with 1500 insect traps purchased. To support climate smart agriculture, the department supported 8 groups with 369 direct beneficiaries and constructed a hostel at ATC.

The department faced challenges while implementing its programs and projects key among them being inadequate technical capacities, office space, inadequate utility vehicles to support projects supervisions, inadequate budgetary allocations and sluggish projects executions by service providers.

Key priorities for the FY 2023/2024 – FY 2025/26 will include: capacity building through modernization of ATC for training of farmers and youths in agribusiness skills; increasing the level of agricultural mechanization along the value chains; promotion of high-value crops, value addition initiatives such as construction of coffee pulping plant, potato processing plant and milling plant, postharvest losses management such as manufacturing of gunny bags among others interventions.

8.0 TRADE, INDUSTRY, INVESTMENT AND TOURISM

A. Vision

To promote economic empowerment through conducive business environment, tourism promotion and investment opportunities

B. Mission

To be a leader in trade development, tourism and investment opportunities, in the county and beyond

C. Performance Overview and Background for Programme(s) Financing

The Department is mandated with trade development and regulation, investment, industrialization and tourism.

The allocations for the department in the FYs 2020/2021 ,2021/2022 and 2022/2023, was KSh 259,596,548, KSh 319,694,974 and KSh 302,664,430 respectively. The actual expenditure was KSh 133,868,505, KSh 225,128,977 and KSh 238,771,637 respectively resulting to an absorption rates of 52,70 and 79 percent respectively.

In the 2020/21 – 2022/23 MTEF period, the department implemented the following projects/programmes: Built 42 retail markets; provided training to 2412 traders, members of cooperative societies, and SMEs on entrepreneurship; and issued KSh. 84.50 million to small and medium enterprises.

Some of the key challenges faced by the department during the period under review include; Inadequate funding for the departmental prioritized projects/programmes, lack of vehicles for mobility especially markets, betting control and weights & measures sections hence they did not meet their targets.

During the medium-term period 2024/25 – 2026/27, department will focus on implementing key strategic interventions such as improving market access, developing online market platforms, constructing modern shops and markets, enhancing value addition and agro-processing, and improving the business environment and access to affordable finance for MSMEs.

In order to enhance Industrialization and Investments, the Department in conjunction with the National Government will construct an export processing zone and complete County Aggregation and Industrial Park.

In order to boost tourism, the department plans to develop a museum and set up an International Exhibition and Convention Centre for MICE activities, as well as finish the development of River Sosiani Nurture Trail.

9.0 EDUCATION AND VOCATIONAL TRAINING

A. Vision

A champion in provision of quality ECDE, technical and vocational education

B. Mission

To promote and coordinate sustainable ECDE, technical and vocational education

C. Performance Overview and Background for Programme(s) Funding

The department's mandate is to undertake development, management and administration of early childhood development and vocational training.

During the period under review, the department of Education, Culture and Social Services was allocated KSh 591,123,000 and KSh 700,098,622 during the FYs 2020/2021 and 2021/2022 respectively with actual spending standing at KSh 547,971,194 and KSh 576,943,868. This translated to absorption rates of 93 and 82 percent respectively. The department was renamed Education and Vocational Training in FY 2022/ 2023 with an allocation of KSh 971,803,270 and actual spending of KSh 908,321,145 translating to an absorption rate of 93 percent.

Key achievements for the department during the review period included: employment of 1326 ECDE teachers on a permanent and pensionable basis, construction of 747 ECDE classrooms, introduction of school feeding programme benefiting 36,600 pupils, establishment and equipping of 13 VTCs, and empowering 2920 students with technical skills through the County Revolving Fund.

Challenges encountered while implementing programmes and projects over the period included: inadequate funding of projects, programmes and activities; delayed exchequer releases; lack of enough vehicles for mobility during monitoring and evaluation exercises and human resource capacity gaps.

In the 2024/2025 – 2026/2027 MTEF period, the department will implement the following programmes and projects: equipping ECDE facilities, upscaling the school feeding programme, implementing digital learning, and completing the Ngeria Girls Guide Centre. Under VTC, the department will increase student enrollment through restructuring the funding model of the County Education Revolving Fund, setting up centers of excellence, hiring VTC instructors, expanding Ngenyilel VTC, and acquiring workshop equipment for VTCs.

10.0 COUNTY PUBLIC SERVICE BOARD

A. Vision

To be the champions in County Public Service

B. Mission

To provide staffing for and functioning of the County Public Service for effective, efficient and quality delivery of services through an equitable and fair process.

C. Performance Overview and Background for Programme(s) Financing

The Board's mandate encompasses the establishment and abolition of offices, the provision of skilled human resources, the promotion of good governance, and the assurance of efficiency and effectiveness in delivering high-quality services within the county public service.

The budget allocation for the financial years 2020/21, 2021/22, and 2022/23 was KSh 45,614,234, KSh 76,049,506 and KSh 66,333,564 accordingly. The actual expenditures during the same period were KSh 40,968,442, KSh 69,036,568, and KSh 65,140,544, with absorption rates of 91, 89, and 98 percent respectively.

Notable accomplishments during the reviewed period included: conducting consultative meetings with all departments, identifying personnel requirements and providing recommendations for positions, and providing training to board members.

The primary challenge encountered by the Board throughout the reviewed period in implementing the budget was insufficient budgetary allocations, which hindered its ability to effectively carry out its responsibilities.

During the MTEF 2024/25 to 2026/27, the Board will focus on specific services and outputs to bring about transformation in the public service. These include promoting staff, reviewing the scheme of service, performing a skills audit and staff establishment in the human resources department, and carrying out recruiting, selection and training.

11.0 COUNTY ASSEMBLY

A. VISION

To be a model, independent and development-oriented County Assembly in Kenya and beyond.

B. MISSION.

To perform legislative, oversight and representation function for the promotion of good governance to reflect the interest and welfare of the people of Uasin Gishu County and beyond.

C. PERFORMANCE OVERVIEW AND BACKGROUND FOR PROGRAMME(S) FINANCING.

The County Assembly is the legislative arm of the County Government of Uasin Gishu. Its mandated to undertake the following roles: -

- To make laws that are necessary for, or incidental to, the effective functions and exercise of powers of the County Government under the Fourth schedule.
- To Exercise oversight over the County Executive Committee and any other County Government entities.
- To effectively do representation of the people of Uasin Gishu County.
- To receive and approve plans and policies for the effective management and allocation of the County resources.

The major achievements for the Assembly during the year ending 30th June, 2023 include passage of bills, motions and reports that are critical in the improvement of service delivery to the residence of Uasin Gishu County.

Some of the key challenges faced by the County Assembly during the year under review are: delayed release of funds by the National Treasury to the County Treasury, Lack of adequate office space for the Honourable members and staff and limited Budgetary allocation.

The total Budget of Ksh 311,508,844 allocation was allocated for Construction of County offices and Chambers and Speaker's Residence Financial Year 2022-2023. The construction works are ongoing. In the Financial Year 2023-2024, Ksh 50,000,000 was allocated for completion of Speaker's Residence and Automation and ICT infrastructure of County Assembly Chambers. In the coming financial year an additional Kshs 100,000,000 has been allocated for the on going construction of County Assembly chambers. The Total allocation for recurrent expenditure was **Ksh 796,524,510** for Financial Year 2023/2024 and **Ksh 780,973,168**, has been allocated for Financial year **2024/2025**.

In the Financial year **2024/2025**, the County Assembly will priorities on the following areas: -Completion of County Assembly offices and chambers, completion of Hon Speaker's residence.

12.0 ECONOMIC PLANNING

A. Vision

A centre of excellence for economic planning

B. Mission

To provide leadership and coordination in policy formulation, planning, budgeting, and tracking of results.

C. Performance Overview and Background for Programme(s) Funding

The department's responsibilities include county development planning, statistical output, budgeting, and monitoring and evaluation.

The department allocation for the fiscal years 2020/2021 - 2022/2023 was KSh 72,831,134, KSh 195,549,887, and KSh 149,514,829 in FY 2020/21, FY 2021/22, and FY 2022/23, respectively. The actual expenditure over the time was KSh 67,732,954, KSh 182,805,512, and KSh 143,255,195 in the fiscal years 2020/21, 2021/22, and 2022/23, respectively. This results into absorption rates of 93, 93, and 96 percent.

During the review period, the department's significant successes included preparing and disseminating the 2021 County Statistical Abstract (CSA), PFM statutory documents (i.e., ADP, CBROP, CFSP), and county annual budgets. The department also implemented an M&E system, developed County Indicator Handbook and carried out M&E exercises on a quarterly and annual basis to monitor the implementation of county policies, programmes, and projects.

The main challenges within this time frame encompass budgetary limitations, inadequate human resources, and insufficient generation of statistical data. Going forward, the department will endeavor to improve budgetary allocation, staffing, production of statistical publications, development of sectoral plans, coordination of county budgets, and strengthening of the M&E function.

In FYs 2024/25 – 2026/27, the department will continue to generate requisite PFM documentations; produce statistical documents; prepare sectoral plans; formulate county budget; conduct M&E exercises; and train M&E champions on system usage.

13.0 DEVOLUTION AND PUBLIC ADMINISTRATION

A. Vision

A leading agency in devolution, administration and co-ordination of county government services

B. Mission

To offer policy direction to all departments and agencies, towards strengthening devolution, and to promote effective coordination and administration of County Government services for enhancement of socio economic and political development of Uasin Gishu County

C. Performance Overview and Background for Programme(s) Financing

The mandate of the department is to coordinate and manage the general administrative functions of the county government for efficient service delivery; facilitate citizen participation in county government activities; and ensure delivery of services to the residents of the county.

The department allocation for the fiscal years 2020/2021 - 2022/2023 was KSh 72,831,134, KSh 195,549,887, and KSh 149,514,829 in FY 2020/21, FY 2021/22, and FY 2022/23, respectively. The actual expenditure over the time was KSh 67,732,954, KSh 182,805,512, and KSh 143,255,195 in the fiscal years 2020/21, 2021/22, and 2022/23, respectively. This results into absorption rates of 93, 93, and 96 percent.

Key achievement for the department during the period under review included: construction of Turbo sub county office; coordination of public participation on project prioritization in all the 30 wards; provision of security in all County government installations; carried out operations to ensure compliance of existing laws; and acquisition of office furniture and equipment.

The primary challenge encountered during the period under review was the delay in construction of Cluster 3 ward offices; Moisbridge, Kipsomba, Huruma, Tapsagoi and Kapkures due to land demarcation rows and delay of funds from the exchequer.

In 2024/25 – 2025/26, the department will implement the following projects: Completion of 11 wards offices for Tapsagoi, Huruma, Moisbridge, Kapkures, Kipsomba, Kapsoya, Cheptiret/Kipchamo, Kipkenyo, Langas, Megun and Ngeria Wards and Equipping of Turbo Sub County office and cluster 1 and 2 ward offices.

14.0 YOUTH AFFAIRS AND SPORTS

A. Vision

A champion in youth empowerment and sports development

B. Mission

To promote youth empowerment and sports development services through provision of effective programmes and infrastructures for prosperous county.

C. Performance Overview and Background for Programme(s) Funding

The mandate of the department is to implement youth affairs programmes and coordinate sports activities in the County.

During the review period FYs 2020/2021- 2022/2023, the department was allocated KSh 194,784,784, KSh 453,364,198 and KSh 261,209,036 with actual spending being KSh 151,708,962, KSh 366,669,532 and KSh 239,492,986 respectively. This translated to an absorption rate of 78, 81 and 91 percent for the respective years.

Key achievements during the review period included: 799 youths received training on entrepreneurship skills, while 1000 youths participated in apprenticeship/ mentorship/ internship programs in the county. Additionally, the construction of Chagaiya High Altitude Training camp advanced from 40 to 58 percent.

Challenges encountered during the implementation of the programmes and projects include: budgetary constraints to undertake youth transformative programmes; delays in exchequer releases which affected implementation of youth programmes; and inadequate technical staff in sports section.

During the 2024/25-2026/27 MTEF period, the department will prioritize youth empowerment centers, and completing the Chagaiya High Altitude Training Center, hold Governor's Cup, support sports activities across the County by distribution of tools and equipment to youth groups across the wards.

D. Programme Objectives

Programme	Objectives
P1: Youth Empowerment and Development	To increase access to youth empowerment and development opportunities
P2: Sports Development	To promote sports development in the county
P3 Administration and Support Services	To enhance effectiveness and efficiency in service delivery

15.0 COOPERATIVES AND ENTERPRISE DEVELOPMENT

A. Vision

A vibrant and self-sustaining co-operative movement

B. Mission

To create an enabling environment for a vibrant cooperative movement

C. Performance Overview and Background for Programme(s) Funding

The department is mandated to carry out promotion, registration and revival of co-operative societies, capacity building, ensure compliance with co-operative legislation, promote value addition investments through co-operatives, facilitate co-operative access to affordable credit and audit co-operative societies.

The allocations for the department in the FYs 2020/21, 2021/22 and 2022/23 was KSh 50,439,098, KSh 174,015,073 and KSh 123,854, 855 respectively. The actual expenditure was KSh 36,598,505, KSh 167,102,031 and KSh 121,531,597 respectively resulting to an absorption rates of 73, 96 and 98 percent respectively.

Key achievement during the period under review include: Conducted 82 pre-co-operative training meetings resulting in registration of 41 new co-operative societies; Facilitated value-addition initiatives through cooperative societies by connecting and assisting 20 SMEs with market access. Issued KSh. 218 million to cooperative societies; and Revitalized 45 cooperative societies.

Some of the key challenges faced by the department over the review period include: Inadequate budgetary allocation to implement the department's programs for training, capacity building and agro-processing support; Inadequate staff; and Climate change and unfavorable weather patterns leading to price fluctuation and unpredictable unstable markets for farm produce leading to low profit margins.

During the medium-term period 2024/25-2026/27, the department will bring together farmers, cooperators and entrepreneurs through cooperatives and SACCOS to improve access to local and international markets and affordable finance availed by the department. The department plans to support societies to bulk their produce and process so as to get better prices and this farm product include: Milk, Potatoes, Tomatoes and Indigenous chicken.

The four identified value chains have been earmarked in four sub-counties which are the highest producers of the products and have cooperative societies that have developed interest in bulking and marketing of the said products.

16.0 LIVESTOCK DEVELOPMENT AND FISHERIES

A. Vision

An innovation, Green and Commercially-oriented Livestock and Fisheries Sub sector

B. Mission

To promote livelihoods and sustainable competitive Livestock and Fisheries sub-sectors while conserving natural resources.

C. Performance Overview and Background for Programme(s) Financing

The broad mandate of the sub sector is to; improve animal health and productivity, promote value addition and marketing and increase fish production in the county.

During the review period, the department was allocated KSh 174,016,395, KSh 262,418,442 and KSh 208,867,744 in the financial years 2020/21, 2021/22 and 2022/23 respectively. The actual spending amounted to KSh 96,055,323, KSh 181,253,679 and KSh 201,291,488 translating to an absorption rates of 55, 69 and 96 percent.

During the 2020/21 - 2022/23 MTEF period, the department promoted 5 modern livestock management technologies; established 1989 acreage of climate smart fodder; artificially inseminated 57600 animals and 233 women groups benefited from innua mama na kuku program with 156 incubators distributed. Additionally, 218 groups benefited from doper ram exchange program with 659 dopers distributed and a total of 956 modern bee hives issued to local farmers. Further, the department conducted 3800 livestock disease surveillance; vaccinated 450,000 against notifiable diseases; constructed/rehabilitated 74 cattle dips and facilitated 52 of them with acaricides; restocked 345 fishponds and dams with 610,000 fingerlings provided; supplied 13,000kgs of fish pellet and trained 150 farmers on fisheries management.

The department faced challenges while implementing its programs and projects key among them being inadequate utility vehicles, technical capacities, inadequate budgetary allocation, negative perception towards fish farming, untimely completion of projects, unpredictable climatic conditions, high cost of inputs, low value addition initiatives, high prevalence of livestock diseases among others.

Key objectives for the MTEF Period 2024/25 – 2026/27 will include; disease control, dairy genetic pool of the county, livestock production and productivity, value addition and marketing, fish production and productivity and livestock and fisheries production diversification through youth and women empowerment.

17.0 MUNICIPALITY OF ELDORET

A. Vision

To be the best attractive and functional metropolis in Kenya

B. Mission

To offer efficient and effective services through planning, creative public engagement and prudent use of resources

C. Performance Overview and Background for Programme(s) Financing

Municipality of Eldoret is mandated to formulate and implement integrated development plan; oversee the affairs of the municipality; develop and adopt policies and programs and undertake infrastructural development within the Municipality.

During the financial years 2020/21 – 2022/23 the Municipality was allocated KSh 1,566,335,314, KSh 1,084,924,907 and KSh 152,618,532. The actual expenditures stood at KSh 285,479,794, KSh 718,394,246 and KSh 144,354,701 resulting to 18, 65 and 95 percent respectively.

The key achievements during the period under review included: construction of 64 stadium at 73 percent completion level, construction of roads to bitumen standards, improvement of storm water drainage and paving of service lanes.

Challenges experienced while implementing programs and projects included inadequate budgetary allocation, delayed release of development funds and over reliance on donor funds.

The departments key objectives for the MTEF Period 2024/25 – 2026/27 will include completion of 64 stadium among other key infrastructure within Eldoret town.

D. Programme Objectives

18.0 PREVENTIVE AND PROMOTIVE HEALTH

A. Vision

Excellence in health care for all residents of Uasin Gishu County and beyond

B. Mission

To promote health and prevent disease and injury through the provision of highest attainable quality, acceptable, accessible, affordable and equitable health care services that is innovative, responsive and sustainable to the people of Uasin Gishu County and beyond

C. Performance Overview and Background for Programme(s) Funding

The department is mandated to provide quality healthcare to the residents through quality, efficient and effective healthcare services that are affordable and accessible

During the periods 2020/21 to 2022/23, the larger department of health was allocated KSh 3,037,115,535 and KSh 2,798,020,115 in FY 2020/21 and FY 2021/22, and KSh 96,711,480 for Preventive and Promotive Health in FY 2022/23 with actual expenditures standing at KSh 2,444,412,553, and 2,550,579,711 and 65,197,594 respectively. This translated to an absorption rate of 80, 91 and 67 percent respectively

In the same period, the department's major achievements included: 13,845 women were screened for cervical cancer, 96 percent of health facilities has immunization services, 1100 of schools had hand washing facilities, 12580 ECD children supplemented with vitamin A, 100 percent of Infants born of HIV positive mothers received preventive ARVs, 87 percent of children under 12 years were de-wormed, equipped 70 health facilities to provide laboratory diagnostics and established 5 health facilities to offer radiology services.

Challenges faced during the period include inadequate utility vehicles to support health activities supervision, delay in release of development funds to the facilities and lack of continuous data quality assessment, review and cleaning.

The key Sector programme priorities for the FY2024/2025 – FY2026/27 include: establishing a model health facility in every ward, promotion of RMNCAH; promotion of environmental health and sanitation; enhancing the primary healthcare system by deploying Community Health Promoters; strengthening the healthcare workforce; strengthening capacity in screening and management of NCDs; and improving immunization services.

D. Programme Objectives

19.0 ENERGY, ENVIRONMENT, NATURAL RESOURCES AND CLIMATE CHANGE

A. Vision

A clean, healthy, safe and sustainable environment and natural resources for equitable and sustainable development.

B. Mission

To facilitate good governance in the protection, restoration, conservation, development and management of the environment and natural resources through stakeholder engagement, partnerships, and design of appropriate policy and legislative frameworks.

C. Performance Overview and Background for Programme(s) Financing

The department's mandate is to protect, conserve and manage the environment and natural resources in the county.

development. is new and barely one year old. was hived off from the larger Department of Water, Environment, Natural Resources, Tourism and Wild Life Management. Its mandate includes provision of clean and renewable energy; solid waste management; environmental conservation and management; and climate change adaptation and mitigation.

The larger department was allocated KSh. 595,429,468, KSh. 706,651,401 and KSh. 403,208,662 in FYs 2020/21, 2021/22 and 2022/23, with absorption rates of 45 percent, 68 percent and 77 percent respectively.

During the period under review, the department made the following achievements; grown assorted tree seedlings, successfully developed Climate Change Action Plan (CCAP) and Participatory Climate Risk Assessment (PCRA) reports, and qualified for Climate Change Resilient Investment (CCRI) grant, fenced Lorwa 20-acre land earmarked for engineered landfill, establishment of arboretum (MoU with KFS), appointment of planning and steering committees, trained Climate Change Unit (CCU) and Ward Climate Planning Committee (WCCPC) members, and purchased land for Kipkenyo dumpsite.

The following challenges were encountered during implementation of the budget; delays in disbursement of funds from exchequer, inadequate technical staff, lack of vehicles for field visits, inadequate budgetary allocations, erroneous placement of FLLOCA climate change institutional support grants of Kshs11million to a vote line in another department, inadequate office space, furniture and the equipment for the staff and climate change unit, and inadequate capacity building of the management and the staff.

In the FY 2024/25 and over the medium-term, the department will prioritize development of County conservation Policy, conservation efforts targeting wetlands, riparian and water catchment areas, beautification and recreational services, solid waste management, climate

change adaptation and mitigation, and afforestation, re-afforestation and agroforestry. Timely implementation of the planned county contribution towards climate change to attract more funding from the donors

D. Programme Objectives

20.0 PARTNERSHIP, LIAISON AND LINKAGES

A. Vision

A leading department focusing on strengthening and further developing fundamental linkage between the county and the partners

B. Mission

To play an integral role for the county through public policy formulation implementation, coordination, resource mobilization, supervision, and management of resources

C. Performance Overview and Background for Programme(s) Financing

The Department is mandated to bring together all relevant sectors that can contribute to improving a given situation on an equal basis.

The department was allocated KSh.15,800,00 in the FY 2022/2023. The actual expenditure during the period was KSh. 14,785,510 translating to 94 percent absorption rate.

The key achievement is the development of the strategic plan draft, which is currently awaiting approval and later, launch. During the period under review, the Department encountered challenges that hindered it from optimally fulfilling its mandate and objectives. These challenges include; inadequate budget allocation, inadequate office space and skill gap among the employees.

In 2024/25 – 2026/27, the department will implement the following: development of policy and legal frameworks, facilitating partnerships and linkages in County Government's development processes; and resource mobilization with development partners.

21.0 GENDER, SOCIAL PROTECTION AND CULTURE

A. Vision

A champion in gender, culture and social protection in Kenya and beyond

B. Mission

To promote and coordinate sustainable social services through provision of effective programs and infrastructure for prosperity.

C. Performance Overview and Background for Programme(s) Funding

The department was allocated KSh 100,563,350 in FY 2022/ 2023 with actual expenditure being KSh 81,555,962 which translated to an absorption rate of 81 percent. The department was set up in FY 2022/2023.

Key achievements during the review period included: conducting advocacy, sensitization and training on sexual and gender based violence across the county, setting up of a PWDs fund that provided support to 980 families, distribution of assistive devices to 511 individuals, construction of perimeter wall at Eldoret’s Rescue Centre and Home Craft Centre ,completion of the department’s offices at Home Craft and construction of assessment block, ablution block, sentry box, transformer/ Generator house, boarding wall and chain link fence and related works at Chebolol Special needs Centre.

Challenges encountered while implementing the programmes and projects included: budgetary constraints; inadequate utility vehicles and human resource capacity gaps.

During the 2024/25-2026/27 MTEF period, the department will prioritize establishment of a Hall of Fame, cultural sites, rehabilitation centers, and homes for the elderly.

23.0 LANDS AND PHYSICAL PLANNING

A. Vision

A leader in land administration, management and physical planning in Kenya and beyond

B. Mission

To provide efficient and effective land administration, management and physical planning services to residents through research, policy and innovation

C. Performance Overview and Background for Programme(s) Financing

The broad mandate of the department is to improve livelihoods of Uasin Gishu County residents through sustainable and efficient land administration and management, land survey and mapping and physical planning.

Key milestones during the period under review were: increased supply of public land through land banking, survey of public land, preparation of valuations rolls for rating purposes, preparation of Land Use Physical Development plans, fencing of 5 public utilities among others.

Challenges faced while implementing programs and projects were inadequate budgetary allocations, office space, litigations on matters of land, staff capacity issues among others

In the periods 2024/25 – 2026/27, the department focus areas will be to strengthen spatial and physical planning and control to improve land use in the county; prepare valuation rolls, survey urban centres to increase land value, carry out land banking, among other key interventions.

24.0 WATER, SANITATION AND IRRIGATION

A. Vision

A leading agency in the provision of sustainable water and sanitation services for socio-economic transformation

B. Mission

To provide portable water, irrigation and sanitation services through design, construction, maintenance, rehabilitation, and effective management of relevant infrastructures; and partnerships

C. Performance Overview and Background for Programme(s) Financing

The department is charged with the mandate of providing adequate and portable water for domestic and other uses including water for agriculture, as well as provision of sanitation services. This is achieved using three-pronged approaches

The department allocation in the FYs 2020/21, 2021/22 and 2022/23, was KSh 595,429,468, KSh 706,651,401 and KSh 403,208,662 respectively. The actual expenditure during the period was KSh 395,642,935, KSh 665,993,018 and KSh 309,635,406 in the FY 2020/21, FY 2021/22 and FY 2022/23 respectively. This translates to absorption rates of 45, 68 and 77 percent.

Key achievements realized during the period include; Seven water supplies restored; four dams/water pans cleaned and restored (Kapsang, Lelgotet, Uhuru, and Karima's dams) and 334 community water projects developed.

Challenges that were experienced include lack of utility vehicles for staff to undertake proper project supervision, inadequate budget for operation and maintenance of water supply systems.

Key priorities for the department during the period FY2024/25 to FY 2026/2027 will include strengthening operation and maintenance of water supply infrastructure in rural areas and satellite towns through establishment and operationalization of Uasin Gishu Rural Water and Sanitation Company; Development of new water supply systems, and expansion of existing water systems, including water distribution, desilting of dams, protection of springs and drilling and equipping of boreholes; Working with national government and other partners on design and development of high-impact water supply and sanitation infrastructure; and Putting in place necessary legal framework for water, sanitation and irrigation services and development, including development and/or review of existing water, sanitation and irrigation policies, acts of county assembly and necessary strategies and master plans.

25.0 OFFICE OF THE COUNTY ATTORNEY

A: Vision

To be the best institution in the provision of public legal services and promotion of good governance.

B: Mission

To facilitate the realization of conformity to the constitution, rule of law, policies, good governance, protection and promotion of human rights.

C. Performance Overview and Background for Programme(s) Funding

The mandate of the Office of the County Attorney includes: advising county departments and agencies on legislative legal matters; negotiating, drafting, vetting and interpreting documents and agreements on behalf of the county government; and litigation.

The key achievements of the department during the period under review include: Establishment of the Office of the County Solicitor; Transitioning to online filing in the Judiciary system for litigation matters; Drafting and proof reading of legislations and policies including; Climate Change Act 2022 Climate Change Policy, Uasin Gishu County Rural Water and Sanitation Act 2023 and Uasin Gishu County Youth Policy 2024; Drafting and reviewing of over 10 MOUs; and representing the County Government in over 100 new court cases in the year.

The key challenges over the period include budgetary constraints, inadequate office equipment including furniture and electronics and no office motor vehicle.

In FYs 2024/25 – 2026/27, the department will prioritize the following: Develop and implement an out of court settlement policy to ensure enhanced efficiency in the provision of Legal Services to the County Government; Roll out a Bill tracker to track progress of legislations; Develop a case management system; Organize more legal aid and awareness programmes; and conduct more inter – agencies collaborations.
